

# Analyst Real Estate M&A / Debt Advisory – Frankfurt (w/m/d)

ACXIT Capital Partners is a leading international corporate finance and investment advisory firm for mid-market clients and entrepreneurs in Europe and beyond. As an independent, privately owned firm we maintain offices and representations in Frankfurt, Berlin, Munich, Leipzig, Zurich, Hong Kong and New York as well as strong alliances in France, China and India.

ACXIT's real estate practice is a market leading advisor for real estate investment banking services in Germany and abroad. We offer our clients comprehensive corporate finance advisory services including M&A and debt advisory as well as capital markets advisory for the real estate sector. Our clients include international stock listed companies, financing institutions, institutional investors, regulated fund managers, private equity funds and, family offices.

**To support ACXIT's Real Estate team in Frankfurt, we are currently looking for a full-time Real Estate (M&A/Debt Advisory) Analyst/Associate with immediate effect or for a start date in the near future.**

We offer an excellent working climate in a highly dynamic team with performance based compensation in line with market standards. Your tasks will include creating financial models, drafting marketing documents and conducting market research. You will work in small teams experiencing in-depth project involvement with direct exposure to international clients.

**As an Analyst (w/m/d) and part of a project and transaction team your responsibilities include:**

- › Assisting senior team members in live-deals/mandates
- › Preparation and analysis of financial models and sensitivities
- › Conducting company valuations using different methods such as DCF, comparable companies analysis and comparable transactions analysis
- › Preparation of market and competitive analysis and industry screenings for the identification of potential acquisition targets/buyers/financiers
- › Preparation of company presentations, pitch books and transaction documents
- › Preparation and implementation of data rooms and participation in Q&A processes

**Your skill set:**

- › You hold a Bachelor's or Master's degree in business administration or economics with outstanding academic results
- › You have strong analytical skills and a solid understanding of valuation methodologies
- › You have relevant practical experience in the real estate sector
- › You are team-oriented, motivated, committed, proactive and capable to work independently
- › You have an appetite to learn and grow
- › You are business-fluent in both German and English and proficient in MS Office

We encourage interested candidates to submit their application with a cover letter and CV, either in English or German by e-mail to:
