

Intern (m/f/x) M&A/Corporate Finance

ACXIT, since July 2022 part of global full-service investment bank Stifel, is a leading international corporate finance and financial advisory firm for mid-market clients and entrepreneurs in Europe and beyond. Since 1999, we offer our clients comprehensive corporate finance advisory services including M&A and capital markets advisory as well as restructuring, debt, and strategic advisory. Our clients are corporations, family-owned businesses, entrepreneurs, financial sponsors and family offices.

Our advisory expertise is founded on an in-depth understanding of the key sectors served by the company. Our core focus is on healthcare and digitalization/technology. Our strong track record in these sectors is complemented by prominent transactions for industrial, real estate and financial investors.

We offer students and young professionals the chance to experience real life Corporate Finance for a period of 3–6 months. A successful internship at ACXIT - A Stifel Company could be the stepping stone to a subsequent analyst position.

We offer full-time internship positions in our offices all year round. We are looking for candidates with professional drive who have a passion for Corporate Finance and who are eager to excel in the business world. Our candidates should demonstrate a high degree of self-initiative and the ability to work independently. They should have a strong academic background and the ability to perform in the work environment of a European Corporate Finance boutique operating internationally.

As a valuable team member (m/f/x) during a 3-6 months period, your responsibilities include:

- › Preparation of company and industry research
- › Preparation of peer group outlines and valuation analyses
- › Preparation of marketing and pitch presentations
- › Support of M&A project teams in execution of live-projects
- › Preparation of reports, fact books and management presentations
- › Assessment of business opportunities and strategic options for our clients

Your skill set:

- › You should have completed the fourth semester of your studies in business administration or economics with outstanding academic results
- › You have strong analytical capabilities, strong skills in valuation methodologies, and an advanced understanding of accounting principles
- › You are team-oriented, motivated, committed, proactive and capable of working independently
- › You are business-fluent in both German and English and proficient in MS Office
- › Ideally, you should have Corporate Finance transaction experience

Please apply with cover letter, CV and references, including your desired starting date, by e-mail to:
